If you find that you are running low at any time, please call Andrea at 224-639-0432 and additional inventory will be provided. Online Sales - How does online selling work?

Each Scout needs to self-register to sell online at www.sell.trails-end.com:

1. First Register in the upper right-hand corner, creating a new account with your unit information. If you are under the age of 13, you will need parental approval to activate your account.
2. Once your account is created, you share your fundraising page with friends and family members via email, social media and text messages.
3. They can click on your Scout-specific link (within the message you send from your Scout account) and make a purchase on your behalf.

Trail's End will directly deliver the product to your customers.

SUGGESTION: Add a Thank You note to the purchase, especially if you are dropping off when no one is home. Make sure to add your name and Pack #.

Thank you for your popcorn purchase
and your support of Scouting!!!
