IL Beach Nature Preserve

Welcome to Illinois Beach Nature Preserve

The Nation's First Nature Preserve, 1964

You are entering a unique natural sanctuary - the first of its kind in the United States. A Nature Preserve provides the highest legal protection that land can have. Everything found within the boundaries of the Nature Preserve is protected by law.

There are many rare plants and animals found here that depend on this Nature Preserve, and you, for their continued survival. While people are welcome to enjoy the many splendors that this site offers, there are special rules in effect for the use of Nature Preserves. Please obey these rules in order to help protect this area and its natural residents for decades to come.

Thank you.

RECENT EVENT: SPRING CAMP OUT

Pack 671

TIPS FOR AWESOME CAMPING!

Pack 671

- Enjoy the outdoors, leave electronics at home
- Hiking sticks are for hiking, no sticks in camp
- Practice 'Leave No Trace' at all times, leave animals and plants alone, and always use latrines/restrooms rather than a nearby tree
- Stay within sight of camp while playing, take two adults when going down a path or into the woods
- Food and food wrappers must be kept out of tents.
- AOL/Webelos scouts should assist around camp and help keep younger scouts out of trouble
- Stay in camp as much as you can, leave only when absolutely necessary

- **Parents please help supervise scouts and siblings**

WHAT TO BRING

Pack 671

- Family tent and sleeping bags, plus cots or air mattresses
- Mess kits, including utensils, a cup, and a reusable water bottle
- Sunscreen, bug spray, and toiletries
- Several changes of clothes, plus a hat
- Waterproof hiking boots or many pairs of shoes
- Headlamp or flashlight, and camp chairs
- Any special snacks your family may need (keep these in your car or in a locked cooler outside your tent)
- Don't forget to eat dinner on Friday before arriving at camp
